MEMORANDUM FOR: [REDACTED]  
NSA NFIB Coordinator

SUBJECT: NSA Nomination to Fill Vacancy in the National  
Intelligence Council

I appreciate your response to our request for candidates to fill a vacancy on the National Intelligence Council. As discussed with [REDACTED] personally, we have decided that our predominant need is for military expertise, and have chosen a candidate accordingly. Were it not for this requirement, [REDACTED] would have been a primary candidate. We are very familiar with his superior performance from many interagency meetings in which he has ably represented NSA.
